Aleya

Aleya Akhran's transformative journey from Guyana to Washington D.C. spans over 40 years. Having 14 years of nursing experience, Aleya discovered her true passion lies in integrating skincare, nutrition, and holistic health. In 2023, she realized her dream with the establishment of Nur Aesthetics & Wellness Spa in Herndon, Virginia. Nur reflects the serenity of her roots, offering a holistic approach to beauty that rejuvenates clients physically and mindfully.

Beyond her spa, as a licensed nurse and community educator, Aleya actively imparts her knowledge through workshops, emphasizing the interconnectedness of skincare, nutrition, and overall well-being.
